### WRITING

After a walk, I understood that I wanted to write a new story. I took my cup and started.

It was a wonderful day. Ann didn't want to go home. She took a paper and set on chair not far from cafe. She was drawing her dog. Dog stayed with mother in Russia. She wanted to take yellow colour and continued her picture, how somebody put his/her hands on her eyes. Ann looked back and saw mother and

and their dog. She wanted to tell mother all about new life in new city.

To sum up, I should say, that we should remember about our relatives and friends.
