## WRITING

"speaking is silver, silence is gold"

Elizabeth always been a popular girl. Funny, cute, smart - and simply just a good girl. NO one could resist such a good personality. But she's not what she looks like. She might be smiling, but who knows what is going on inside her mind? I'm talking to her almost everyday and I see that she is afraid. Afraid of ~~the~~ what's to come, afraid of other people's opinions. She should become the girl she wants to be. Instead of "I'm fine" and "I am ok" and keeping the dialogue alive she should do her own thing, speak about the things she wants to talk about and discuss her problems.

not the other ones.

Elizabeth is not the girl she wanted to be. Now she has to live with her lies. "Be patient and achieve your dreams" - she said one time.
