Dreams come true!

When we were little kids, everyone we were dreaming about becoming an astronaut, a doctor or even a president. Kenzie always wanted to be a singer. "I had this passion for music since I was a toddler", - she laughs. "My parents'd sing me to sleep every night!" when she was 13 years old, she realised that she wants to perform on a big stage.

That year Kenzie started practicing with her vocal coach every day. She said, that on her first concert she'd worn the cutest yellow dress and that the crowd's been amazing.

After several years of releasing songs, she has millions of fans all around the world. Right now Kenzie's getting ready for her tour that starts next month. Moral of the story, you can make your dreams come true if you work hard for it and never give up.
