Dear Ben,

I am very happy reading your letter. Sorry, I did not answer earlier because I do my homework.

In your letter you asked me about Earth Hour. In my country, people do the Earth Hour. People save energy in their everyday life. (Then) If they go out, they must turn off lamp or light in your room or home. They can not watching TV very quickly.

As for me, I approve of the Green Movement because it is do our lifestyle more helpful.
