WRITING

"A friend in need is a friend indeed."
In my story I'd like to share an occasion
from my life with you which makes me
realise that the true friendship exists
Last year my friend and I went on a
picnic to the river. We wore T-shirts and
trousers to feel comfortable. As for the
weather it was hot so I decided to swim
in the river. Suddenly, I felt a pain in a leg

and started to sink. Alice who couldn't swim at all
shouted "My dear, I will save you" and she did it.
It was a brave deed because she was afraid of
water. That moment I understood that despite
her fear she saved my life.

In conclusion, true friendship bases on
loyalty, concern, and help. Moreover, a true
friend is a friend who will help you in a
difficult situation in spite of his interests.
